

## THOUGHTS FROM BRAD ...

**I want to take this opportunity to thank the following people for making our 2018 Grundy Mountain Mission trip a great joy and success:** Chris Glenn, Jan Glenn, Nancye Rose, Thea Kallenberg, Tim Huffman, Nathan Brown, Payton Anderson, Sara Kallenberg, and Kensington Gatwood. I am very thankful that God allowed the ten of us to grow closer while serving the wonderful people at Mountain Mission School. Our 2019 trip is scheduled for next June. I would love to have you join us! Thanks again for praying for our safety each day.

**I want to thank Jean Azbell for assisting last week during our p.m. movie night. It sounds like everyone enjoyed themselves. May we, like the owner of Home Dept, keep letting our light shine forth for Jesus.**

Today, **the Vision Team** will hold a **brief informational meeting** with the congregation immediately **after our morning worship**. The purpose is to give an update on our progress concerning a future building. We hope you will plan to join us.

**July 25<sup>th</sup>- 3F Luncheon @ 11:15 a.m.** This month, we will offer a **spaghetti luncheon** for your enjoyment, followed by a brief time of hymn singing and devotions. Please sign up today at our coat room bulletin board if you plan to participate!

**I want to use this opportunity to ask you to pray for my wife Kim.** She is scheduled for ankle surgery this Friday in Columbus and will be sidelined for the next several weeks while recovering. Please pray that the surgery is a huge success!

### **Something to think about...**

This week while at the mission, I couldn't help but observe an overabundance of joy; a contentedness like no other. On this campus, you witness, children and teens who come from the worst possible backgrounds, much of which, you wouldn't wish on your worst enemy. Yet they still have joy! Some of these children have come from abuse, sex slavery, have seen their parents murdered, escaped countries where you just try to survive from harm or famine day in and day out. Yet they smile! How can this be?

The answer: "Jesus." At Mountain Mission School, all children are taught to love God and are experiencing for the first time "hope" for their lives. These children have already been displaced in the past, and find themselves displaced again because of the fire but they survive and thrive. I am so grateful for those who sacrificially give of themselves to show these children the love of God. May each of us strive daily to make a lifelong impact on others as well and may each of us discover our joy in Jesus all over again.

In His Service,

Brad
