

THOUGHTS FROM BRAD ...

Today, ten of us leave for our Summer Mission trip to Grundy, Virginia. Again, I want to thank everyone who financially contributed to our special offering this past Easter to make this possible. I am calling on everyone to please pray for the following...

- Keep us in your prayers each day that we have safety;
- That we represent Jesus well as we serve;
- That we make strong connections with the adults who minister at Grundy and with the children and youth who are seeking refuge on their campus.
- And above all, that God gets the glory.

Tonight, much like the powerful inspirational stories in ESPN's 30 for 30 series, RightNow Media has captured **the story of David Green** and his family whose faith put Hobby Lobby in front of the Supreme Court. Green was born in a family of preachers so he has very strong religious beliefs. He states that he built his business based on Biblical ideologies. He strongly believes that the success he got in life is due to his unwavering faith in God. He is publicly against the Patient Protection and Affordable Care Act because it has a provision that gives right to use the morning after pill. The Green family has spent decades caring for their employees and ultimately risked everything to stand for their beliefs. **I want to encourage you to come and be inspired at 6:00 p.m. in the Fellowship Hall for a 30-minute video. We will also enjoy some watermelon together.** You won't want to miss this incredible time of fellowship!

On **July 15th**, the **Vision Team** will hold a **brief informational meeting** with the congregation immediately **after our morning worship**. The purpose is to give an update on our progress concerning a future building. We hope you will plan to join us.

July 25th- 3F Luncheon @ 11:15 a.m. This month, we will offer a **spaghetti luncheon** for your enjoyment, followed by a brief time of hymn singing and devotions.

Something to think about...

God calls each person to "flesh out their faith" as each day of life unfolds. I am honored to be one of His servants and I pray you feel the same. Every day, we get up, go through the same motions, have our coffee, eat plenty of food and at night we lay our head down to sleep. If that was all there is, life would seem mundane. But you and I know that there is more to this life. I know that this week, once again I will encounter faces I do not know, people that I have never seen. What matters is how God will use me to make a difference in a life. Will it be a kind, encouraging word? Will it be through a smile or a touch? God only knows! But, may I be ever ready, when called upon, to make a difference in someone's life. And may you also! God has been so good to me and to you. Let's be open, to however He sees fit, to use us for His glory!

In His Service,

Brad

Together Forever
by Jody Hedlund

Our next Fellowship Potluck dinner will be on Friday, July 20th, 5:30-8:30pm, here at the church. Sign up and bring your favorite food for all to eat. We will also discuss if would like to eat at the park one Friday, and also whether to have different themes for our dinners. Our dinners have been a great time for Christian fellowship and good food. Any questions, contact Ron Enlow.
