

THOUGHTS FROM BRAD ...

As I write this article today, I hope that those who are staying home from worship will take time to read it on our website. We hope each of you are staying healthy. Please keep us aware of anything pertinent going on in your lives. We would greatly appreciate it.

If you did stay home and are reading this, then let me encourage you to watch our livestream on Sunday. You can do so by either going to our Facebook page and clicking the link that is on our home page, and then typing in the Youtube search box **FACC Lancaster**. We will livestream both the 9:00 & 10:00 service; of course, they will be identical. If for some reason you cannot figure out how to livestream, you can watch the service almost immediately on our website at www.myfacc.com.

Until further notice, we are suspending all activities with the exception of morning worship.

I will do all I can to stay connected with everyone through phone calls, frequent messages on the phone tree, social media, etc...

As of right now, the activities mentioned below are still planning to go forward. I will let you know of their status as we get closer. I will be surprised if they still offer them but nevertheless, we will keep you apprised.

- **4/21 Keenagers Retreat at Round Lake Camp.** We have no information at this time as to whether this event is still going on. We will keep you up to date as we receive the details. This year, the cost is \$26. Please begin signing up in the coat room if you plan to attend, but you will need to register online at <https://roundlake.org/retreats>.
- **5/1 Men's Retreat at Round Lake Camp.** Again, we have no updates as to whether this event will still go on. We will let you know when we receive further information. If you want to go to this one-day retreat, then go online to <https://roundlake.org/retreats>.

Just a thought...

There seems to be a lot of fear in America right now, especially in the light of COVID-19, But listen, the promises of God are still true! God is bigger than the Coronavirus!"

Listen to the medical experts and take appropriate measures (wash your hands, etc.) But we need to replace our fear with faith and pray for our nation, that God would protect us. **Phil. 4 reminds us, 'Don't worry about anything and pray about everything!'**

In His Service,

Brad

Work Day at new property

Our teens will be attending Ohio Teens for Christ April 10-11 and will be helping to prepare disaster response kits, specifically kids' activity kits. Helping His Hands is a short-term mission organization specializing in disaster response to regions and people stricken by natural disaster. A time of crisis is often the best time for Christians to demonstrate the reality of God's healing grace. With your help, they can make a difference. Items to be collected are: coloring books, crayons, small toys, activity books/stickers, small stuffed animals or baby dolls, and gallon-sized Ziploc bags. There will be a donation box by the nursery. Please bring all donations by Sunday, April 5th.
