

THOUGHTS FROM BRAD ...

Several of you showed generosity toward my family over the holidays. We are thankful for your kindness. I hope everyone had a MERRY CHRISTMAS!

I want to take this time to thank everyone who volunteered to help at the Christmas Eve service. It is good to know that you each have a servant's heart! I also want to thank Josiah for his willingness to read us the Christmas story. Great job buddy!

I also want to thank Pam Schmeltzer for adorning the sanctuary and building during the Christmas season.

Allow me to give everyone a big THANK YOU for giving toward this month's "DOLLAR DIFFERENCE." This past Sunday, you gave \$200. Great job making a continued impact in our community.

This past Sunday, we shared more information with the congregation about the potential sale of our building. We have accepted an offer from a church, and are now awaiting the final appraisal quote to come in from their lending institution. If that goes as we hope, then everything will proceed quickly. The potential buyer wants to have everything finalized by the end of January. I understand that this is fast. We don't like change, and especially when it comes quickly, but that is one reality of life. Just as we have been waiting upon God's timetable to proceed, He is actively involved with the potential buyer's timetable as well, so we are thankful nevertheless. Each week during worship, we will update you with new information as we have it to share. Here is what we know: The new church will allow us to meet in the Fellowship Hall for worship, allow us to store items we are saving to put in our new building, and will allow us to use the pole barn until our building is completed for the storing of our bus. All those are great blessings! God is so good! Thank you, for your continued patience in this matter. Please pray daily during this exciting time as we continue to see God's hand at work.

We will hold a **Friends and Family sale on January 9th (from 9:00 a.m-3:00 p.m) & January 10th (immediately after morning worship)**. There will be a nice selection of items that you may want to purchase. All **proceeds will be placed in our BUILDING FUND**. There are books in the library that you are welcome to come and sift through. Please grab as many as you want off the shelves; donations are welcomed. There is a brown drop box outside the office where you can place your donation. Enjoy!

Another item for consideration is the renaming of our church. When our building sells, we will obviously have a new name. **If you would like to participate in what we will be called in the future, then you may submit your name idea to myself or one of the Board members.** We are asking for your submissions to be turned in by the end of January. This could be a lot of fun. I hope you participate.

In His Service,

Brad
