A Gentle Reminder...

In all of our excitement about giving toward the "new building," we continue to have budgeted expenses that we must meet. We encourage giving for the new project to be "over-and-above the regular tithe. Thank you for continuing to support the efforts of our church!

Dollar Difference

Our next scheduled time of blessing will be March 21st. This month, we will put our resources together to help "one family" in our future neighborhood.

A Building update...

Please pray for our builder and architect, Darrel Rohrer as he works to finish drawings, and get everything approved by the city. As soon as that is accomplished, then they can begin moving dirt on the property but not until then. Let's face it, who doesn't like playing in dirt? We will let you use a shovel! As soon as we get a date for beginning, we will let you know, and plan a special "ground-breaking" celebration. Until then, we must be patient. It will all happen in God's timing!

Church...

"What if we focused on going to Jesus instead of going to church?"
